

## Golden Valley Charter Schools Library Use Agreement

We are happy to have books available for students and parents to check out and enjoy. In order to have quality library materials readily available, we ask for your support and help by observing the following:

1. Only one (1) book may be checked out at a time.
2. Borrowers are responsible for the care and condition of library materials in their possession. It will be necessary to charge for lost or damaged items.

Thank you for your support of the library program.
