Code of Conduct/Behavior Guidelines:

Participating in the Golden Juggling Club is a privilege. This privilege is earned through positive behavior aka “treating each other well.” Here are some simple guidelines that will help club members succeed. We ask that all members read and abide by them, and we ask parents to support them.

1. Listen to and follow the directions of your facilitator (teacher) at all times without argument.
2. Be supportive and respectful of your fellow club members - no putdowns aka “don’t be mean.”
3. Arrive at club meetings ready to juggle.
4. No running or rough housing aka no “Tomfoolery” or “Jimtrickery”!
5. If you eat, you clean. Snack will be eaten outside and only when necessary. No snack included.

Violation of any of these rules may result in one or more of the following actions:

1. Being sent out of the room during club meetings.
2. Being sent home early from club meetings.
3. Being barred from attending one or more club meetings.
4. Being expelled from the club.

I have read the Juggling Club behavior guidelines and agree to abide by them.
